Camille Brock for District Governor

Hey Key Clubbers!

Welcome to LTC! I'm really excited to share this amazing weekend with you all! My name is Camille Brock and I am a junior at Candor High School from Division 20. I also just finished serving as their Lieutenant Governor! Key Club has become such a passion of mine over this past year and I hope to continue that passion as your next District Governor. If you see me this weekend, please say hi! I would love to meet all of you and answer any questions you may have. Together let's have an unforgettable weekend in celebrating the joy of service!

Three simple ways to a successful year...

Relationships Communication Achievements

- Increase Kiwanis Family relations by implementing a K-Family event once every service year for each division
- The K-Family is the foundation so making that bond stronger is the key to successful clubs

- Resurrect the "New York Minute" and publish monthly updates
- Increase the New York District's social media presence
- Conduct one-on-one calls with each board member every month

- Highlight members from around the district on our social media with "Member Monday"
- Implement "Member Monday" by circulating a Google Form for Lt. Governors/Advisors/Club Officers to fill out

Hello NYDKC,

I have been helping my community for many years and I would like to make a greater difference. The only way to make the difference is by starting by helping you with better communication and more training. If elected I will help make Key Club a better experience for all and to help make New York District one with more video resources and more frequent updates with information for ALL.

Brief Platform Summary:

Hey Key Clubbers! It's already been a year since the last LTC and I'm proud of all the work that everyone in the district has achieved! Now, I hope to be your next District Secretary to have another great YEAR of service! To continue the amazing NYDKC legacy, we need YOU! I will do my best to support you with anything you may need. I hope to connect the gap between the vast amount of divisions and clubs and thus maintain a high level of ENGAGEMENT by sending out updates and having bi-monthly meetings with divisional secretaries! I also want to focus on ACHIEVEMENT and ensure that each club can meet their own service year goals. To make this easier for each club, RESOURCES will be made public, including notes from my bi-monthly meetings, to keep secretaries and members informed. Additionally, the Secretary's newsletter will be concise so that it is simple to understand. Thank you for reading, and I hope you will consider me for your District Secretary for the 2019-2020 service YEAR!

Meet & Greet: Koi Pond @ 5:30 pm
Saturday, March 30th

Linna Cheung for District Secretary

Welcome to the 71st Annual Leadership Training Conference!

My name is Linna Cheung and I am so excited to be running for your next District Secretary. I have been involved in Key Club for the past three years and I have enjoyed every moment. From the laughs I have shared with friends to the struggles of waking up early for morning volunteering events, Key Club has always been an integral part of my life in high school, and I've become motivated to do more.

As Vice President of my home club, I supervised multiple committees and collaborated with fellow board members. This has allowed me to gain a true understanding as to what leadership means. The lessons I've learned from serving my home club's members has inspired me to want to serve all of you! I hope that with me as your future District Secretary, I can help you all achieve a great service YEAR!

Now, enough reading! I hope you have a great LTC and feel free to say hi!

Yours in Service,

Linna Cheung

What do we need for a great YEAR?

You

That's right – we need you! Members are the driving force of our club. Your service moves our district forward and I wish to support you!

Engagement

The NY District is not possible without all the divisions and clubs! With frequent updates on district notes and divisional plans, I want divisions to support each other regardless of distance.

Achievement

Information is harder to spread to each division due to the large size of NY. Therefore, I want to personally connect with each division's secretary and update them on district decisions that may pertain to them, and help each club achieve their service year goals!

Resources

I want to provide a visually appealing, clear, and concise secretary's board newsletter whenever possible so that it is available when needed. I will, along with the rest of the district board, continue the amazing NYDKC legacy!
